

Artist: Jirí Stoklasa of Banská Bystrica, Slovakia

Design: This fan bird dove is constructed with one-piece-of-wood. The wings are interlocked to create a continuous fan: the tail is one continuous fan as well. This bird can sit on it's own fantail.

Design: This fan peacock is constructed with one-piece-of-wood. The carved pattern on the feathers create the effect of the “eyes” of an actual peacock feather. This bird stands on it’s own merit due to it’s design.
